**New Shade Matching Center in Central
Provides Customers with Highly Efficient and Professional Services**

Hong Kong – 4 April 2018 - Modern Dental Group Limited (“Modern Dental Group” or the “Group”, stock code: 03600.HK), the leading global dental prosthetic device provider, is pleased to announce that on 3 April 2018, the Group opened a new shade matching center in Central, Hong Kong. This center is equipped with state-of-the-art equipment’s and experienced dental technicians to provide custom shade matching service. Shade matching center provides face-to-face colour matching service to patients, to ensure the colour of the prosthetic device and patient’s teeth accurately match. This shade matching process is crucial to the quality of Modern Dental Group’s custom made prosthetic products.

Mr. Ngai Shing Kin, Chief Executive Officer and Executive Director of Modern Dental Group, said, "We are delighted to open a new shade matching center in Central, a prime location in Hong Kong where numerous of dental practices are located. With this new set up, a much closer proximity to our existing and potential new clients allows Modern Dental Group to achieve faster turnaround time, better post-sales services, and further flexibility, and as a result, significantly enhancing the efficiency in the shade matching process. In the future, we are confident that we will continue to strive for excellence by outperforming our peers in the fast-growing yet fragmented market in dental prosthetics."
